

SIZING GUIDE

Model: ZW1VBS

Use this guide to select the right-sized strap for your wrist.

-

1. *Print out this page at 100%. Do not scale to fit.

2. Cut out the sample strap and wrap it around your wrist, align both ends so that they meet each other. Please Make sure the strap lays flat against your wrist.

3. *If both ends meet each other, even if they barely overlap, you are good to go.

4. If both sizes fit your wrist, you are okay to go with any of both.

-

L

A wrist circumference between 150mm - 210mm (5.9" - 8.2")

S

A wrist circumference between 120mm - 165mm (4.7" - 6.5")
